

Sebastopol *Special* City Council Meeting – March 30, 2015 – Synopsis and Commentary

Council Member Eder was absent.

**Public Comment (AKA Open Mike):**

Two speakers voiced concerns about police behavior but probably weren't referring to the Sebastopol police department whose tolerance of some of the citizenry never ceases to amaze – although they do give me a hard look now and again.

**Discussion and Action Items:**

A Draft Housing Element, that is required by the State of California, was [first visted on March 3<sup>rd</sup>](#) but the Council was in no mood to bow to the State then. So they did it tonight instead. With few changes to what was proposed earier, they voted 4:0 to accept the document. The difference being a little langauge that takes a stronger position on [affordable housing](#) – that can much better be addressed in the General Plan.
